THE ARTHUR BLESSITT STORY

## Call Your Local Theater

### In Theaters March 27th, 2009

#### We need your help...

in letting the theaters know that "The Cross" is coming!

You can call or write. If calling a well known theater chain like AMC or Mann, it is best to go to their website for their corporate number. If calling a smaller theater, it is best to call the theater directly and ask for a manager. Tell them you are excited about the film and ask if it will be playing there. The word will spread to their corporate office and they'll know that we are coming with The Cross!

**Do you have an Arthur Blessitt story? Testimony?  
Idea of how to help spread the word about this life-changing outreach event?**

Last Day, Zanzibar, Africa

"My emotions almost overcome me as I lay tonight by the sea. The walk is complete and I am alive!

I will miss, oh I will miss the long walks with just you and me along the roadsides of the world, Lord. You Jesus, have been my constant companion and I can hardly conceive of living without our intimate times on the road or at night on the roadsides. There is nothing like being with you with the wind in my face in a distant land or feeling your presence in the midst of danger and conflict.

**It's been a long journey around the world but my heart feels young and my body fresh. You know, Jesus, I feel better than I did that first day thirty-eight years ago.**

Today at early dawn you asked me to lie on the cross. I did not want to do this, I never had before, but I obeyed you. You reminded me of the scripture, "I am crucified with Christ nevertheless I live, not I but Christ lives in me". As tears washed my face, I cried so hard I could hardly breathe. You said, "The world is open to you, you are free to carry the cross and minister Jesus in all the world, wherever I lead you."

Dear friends and fellow followers of Jesus,

You are on a cross walk with me now to take Jesus and the "The Cross" into the movie theaters and bookstores of the world. You are helping bring Jesus and the message of hope, love and salvation to people all over the world. From all the reports you are doing an awesome job calling theaters, contacting friends, posting news on the internet and being a witness for our Lord.

I have learned from years on the road to be consistent and committed and to press forward in the power of the Holy Spirit.

God bless you all,  
Pilgrim followers of Jesus,

Arthur and Denise Blessitt
